

FRIENDS OF BOYS & GIRLS CLUBS OF EL PASO SPONSORSHIPS
Choose to Win TopGolf Tournament
September 18, 2019
6pm to 9pm

The Boys & Girls Clubs of El Paso (BGC El Paso) provides a safe, educational and fun after-school and summer break environment for the youth of El Paso. Our programming is provided at nine clubs located throughout El Paso in the North East, Eastside, West Side, South El Paso and the Lower Valley serving over 1,400 children in four different school districts (Canutillo, Clint, El Paso and Ysleta ISD). Programs are designed to improve academic achievement, build character, and strengthen life skills. Most of the youth we serve are children with the greatest need.

Our vision is that every young person who comes to the BGC El Paso will graduate from high school with a plan for their future, demonstrate good character and leadership and live a healthy lifestyle.
